Lifeline Service

Lifeline service is a government program designed to make monthly residential telecommunication services more affordable to eligible low-income customers. The Federal Subscriber Line Charge, of \$6.50, is waived for Lifeline customers. Customers who are eligible for the Lifeline program are also eligible for toll blocking at no additional charge. The Federal Lifeline discount is \$5.25 for qualifying voice service or \$9.25 for qualifying broadband service. In order to be eligible for the Federal Lifeline discount, a customer's annual household income must be at or below 135% of the Federal Poverty Guidelines or a customer must participate in one of the following programs: Supplemental Nutrition Assistance Program (SNAP); Medicaid; Supplemental Security Income (SSI); Federal Public Housing Assistance; Veterans Pension & Survivors Pension or qualifying Tribal Programs.

Lifeline is a non-transferable service and eligible subscribers may receive assistance from only one wireline or wireless telecommunications provider per household. Only eligible customers may enroll in the program. Customers are required to submit a Lifeline application form and will be required to certify continued eligibility annually. Customers who willfully make false statements in order to obtain Lifeline benefits can be punished by fine or imprisonment or can be barred from the program. Questions concerning Lifeline application or eligibility may be directed to Table Top Telephone.

Basic services are offered to all customers in Table Top Telephone service territories at the rates, terms, and conditions specified in the Table Top Telephone tariff. If you have any questions regarding the Company's services, please call us at 520.387.7676, toll free at 1.800.560.8101, or visit our business office at 600 North Second Avenue Ajo, AZ 85321.

- Rate reflects the impact from the remaining Federal Lifeline discount for qualifying voice service after discounting the Federal Subscriber Line Charge.
